

# YEAR 13 PHOTOGRAPHY DEADLINES

## 2020 – 2021

These deadlines are for the submission of your sketchbook coursework unit. The plan follows the same presentation as your year 12 sketchbook and should be mounted creatively. If for some reason you do not have your sketchbook then please complete all of the research, photography and development work on the computer and save it to your drive so that you can access and print when you return.

Remember to email me if you are unsure or need support

Mrs Owen
