‘A’ Level Maths

Exam board: Edexcel

Website: [Pearson Edexcel AS and A level Mathematics \(2017\)](#) | [Pearson qualifications](#)

Head of Faculty: Mr King

Contact email address: r.king@huxlow.northants.sch.uk

The challenge for you over the summer will be to ensure you maintain a high level of maths understanding.

“The only way to learn mathematics is to do mathematics” – Paul Halmos

If you have been given one of our flash A-Level Maths text books, we are expecting you to complete Chapters 1 and 2 over the break. If you have not, then please see your maths teacher for info on how to get one.

In the meantime, please complete the following worksheets from the tenconline website:

- Coord Geo
- Surds and Indices
- Equations and Inequalities

We encourage you to focus on the way you communicate your written maths, ensuring that your work is laid out clearly and neatly.

This work is to be handed in when the year begins in September.
